Sunday August 29th	11.00am	Allison Lewis	2, 3, 5, 8 and 9

During August we have reduced the number of services offered to mornings only, apart from on August 15th. We don't yet know what Government regulations will be in place as to social distancing after July 19th, but to make sure that we can still accommodate people at least once every 2 weeks in Church, we have again allocated the Fellowship Groups to specified slots. There will probably be more people in church on each occasion, but still safely distanced. As the afternoon service has generally been less popular, we are leaving that open for anyone to attend.

A gentle reminder that our Church policy is still to remain socially distanced, wear masks and not to sing in church

It seems appropriate to maintain social distancing within the church so that people with concerns still feel able to attend. Remember that if you want to change "your" dates for attendance, get in touch with **Catriona Stoker - 487 2010**.
